It aims at strengthening research culture, sustain and improve the quality of research and also to create a platform for contract research and entrepreneurial activities.

### **5.2 Scope:**

This policy and its components, applies to the students, research scholars, external students, faculty, student/faculty of sister concern institutions, collaborators, entrepreneurial aspirants concerned administrators and all other stakeholders associated with the institution.

### **5.3 Objectives:**

- 1 Update and upgrade the existing research facility time to time.
- 2 Promote quality in-house research projects
- 3 Identify and foster thrust areas of research
- 4 Encourage to obtain extramural grants
- 5 Encourage inter-institutional, inter-disciplinary and contract research
- 6 Ensure transparency and uphold ethical conduct of research

### **5.4 Regulations:**

A designated Dean-Research & Development shall facilitate research and development activities of the College in coordination with Research advisory committee.

#### **5.4.1 Research Advisory Committee (RAC)**

To monitor and strengthen research activities and external collaborations, RCASC established a dedicated Research Committee (RC). The main role of the RC is to provide assistance and advice to the Principal and the Higher Management in holistic development of research at the college.

The Research Committee consists of one member from each department (or academic unit) within the College and a chair nominated by the Principal. In addition, external advisory committee consisting of experts from various research institutes in

Bangalore are also included to provide advice and assistance.

The Research Committee convenes regularly and discusses various aspects of Research, Consultancy, and Publications, working in conjunction with the organisational arrangement of the College. The responsibilities of the Research Committee includes;

- ❖ To establish Special focus groups (SGPs) by subject or academic unit based on the expertise and resources available within the College
- ❖ To work with the leaders of the departments, Deans and focus groups to develop a strategic plan for research
- ❖ To communicate and publicise the achievements and outcomes of College Research activities (Newsletters, Journals, and Conferences)
- ❖ To enhance the relationship and networking with other Research Committee in sister Ramaiah Institutes and other institutes.
- ❖ To develop strong external relationships with funding agencies, nationally and internationally through submission of applications for various funding schemes (VGST, DBT, DST, Bill and Melinda foundation, etc.,)
- ❖ To establish various policies and code of ethics to promote research, consultancy, and publishing

All the summary reports of the meetings done by the Research Committee are to be notified to all faculty, Principal, and Higher Management through proper channel.

## **5.5 Research Guidelines:**

### **5.5.1: Code of Ethics (Research)**

- ❖ RCASC shall establish a research culture through openness and debate. Head of the research along with senior researchers shall encourage conducive research atmosphere through mutual cooperation and leadership. Young faculty in need of research experience shall be provided appropriate training.
- ❖ All research conducted shall be adherent to standard ethical standards and safety practices.
- ❖ All researchers shall keep timely and accurate documentation pertinent to protocols, necessary approvals obtained, and data storage.
- ❖ All faculties shall make efforts to publish their research findings in peer reviewed journals. All authors listed in the publication shall take personal responsibility to be familiar with the work done and be in a position to justify their contributions.
- ❖ All faculties shall ensure that only original work is submitted for publication with proper citation practices. Contributions from collaborators and funding agencies need to be properly acknowledged.
- ❖ All research findings shall be published as a coherent entity rather than small parts, except in a scenario where preliminary results pave way to novel findings. Quality is preferred over quantity.
- ❖ All faculties shall be aware of proper plagiarism practices. Any work that indulges in plagiarism constitutes unethical publishing and is condemned.

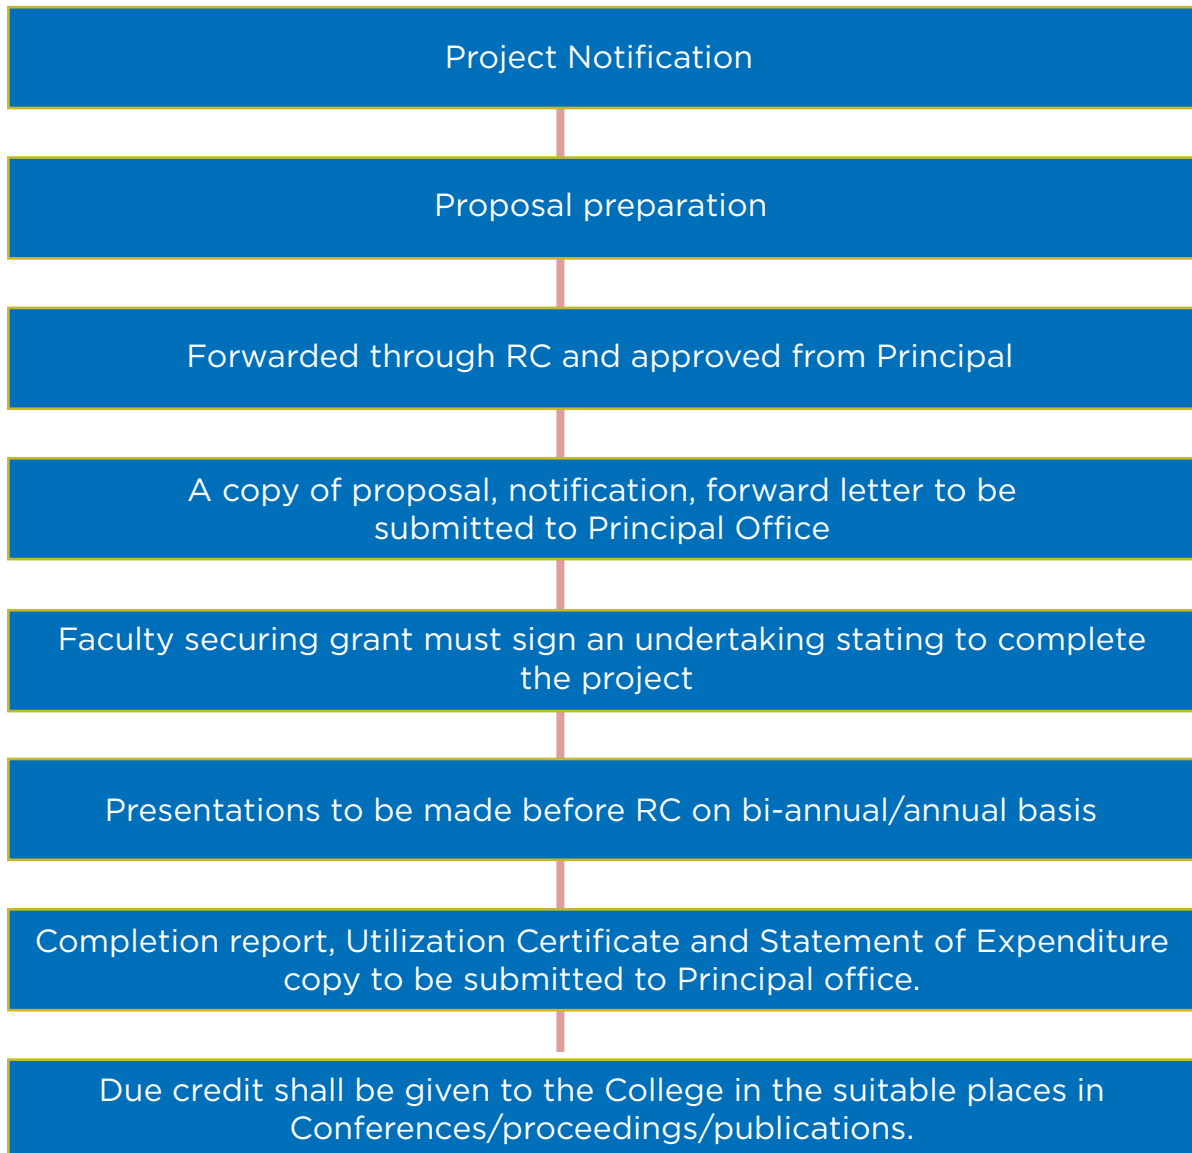

- ❖ If an error is identified in the published work, the corresponding author must ensure to publish a correction as soon as possible. In the case if the findings from the work are in serious doubt, a speedy retraction shall be published.
- ❖ Any complaints with respect to falsification, fabrication, and plagiarism of research shall follow with procedures dealing with ‘Misconduct in Research’.

**1.5.1.1 Departments shall:**

**5.5.3 Faculty are expected to:**

- ❖ Attempt for securing research projects, whereas, faculty with Ph.D. shall submit at least one research proposal per academic year for external funding.
- ❖ Publish one research paper per academic year.
- ❖ Participate/present papers in one conference/seminar per academic year.
- ❖ Submit research proposals to funding agencies through proper channel and implement the project as mentioned below.
- ❖ Mention affiliation of the college in research publications.
- ❖ Encourage students to carry out short term In-House research project.

**5.5.4 Scholars shall:**

**SCHOLARS SHALL**

Obtain prior permission from the concerned HOD's for Inter-departmental research or to utilize any infrastructure facility from other department

Present the progress of the research work before the RC every six months

Mention affiliation of the college in research publications

Provide due acknowledgement to the college in research publications in case of infrastructural usage.

**5.5.5 Students shall**

- ❖ Obtain prior permission from the concerned HoD's to undertake In-house research project, Inter-departmental research or to utilize any infrastructure facility from other department.
- ❖ Procure specialized chemicals or instruments required for the project.
- ❖ Remit General Maintenance Fee (GMF) to the college annually as per the recommendations of the RC.
- ❖ Adhere to the College/Department rules/procedures.

Note: GMF may vary depending on the project objectives.

#### **5.5.6 Incubates/Contract Researchers/Other Stake holders shall:**

- ❖ Submit proposal comprising work-plan and timeline before RC to undertake contract research or to validate their Proof of Concept (POC)
- ❖ Remit Infrastructure Usage Fee (IUF) to the college that is fixed on case to case basis, based on the equipment/facility utilized as per the recommendations of RC.
- ❖ Procure consumables for their project/research work.
- ❖ Adhere to the rules and regulation of the College that may change time to time.

### **5.6 Research promoting schemes:**

#### **5.6.1 RESEARCH PROMOTION POLICY**

##### **Brief Statement:**

All research activities at RCASC are monitored and assisted by a Research Committee which is headed by the Dean of Sciences/Head of Department. Expert

associates from all departments are enrolled as members within the committee. The committee convenes and takes decisions on strategy, preparations, corrections, and updating policies as per UGC norms and report research progress to the Dean. All final decisions by the committee are submitted to the Principal/CE for review and approval. The research policies at RCASC are divided into following categories: Academic Research

- ❖ Academic Research
- ❖ Sponsored Research
- ❖ Extension & Extramural
- ❖ Consultancy
- ❖ IPR & IEE

❖ **Academic Research Policy:**

- a) All faculty who are eligible to pursue PhD are advised to register within one year of appointment.
- b) Individual faculty of every department shall conduct research in their area of expertise. In addition, they should also develop research areas recommended by central government research bodies.
- c) All faculty are advised to identify inter-disciplinary areas of research that brings collaborative efforts among the departments.
- d) All faculty are strongly advised to attend workshops/conferences with on duty leave. Registration fee shall be reimbursed.
- e) Accepted publications by faculty in Scopus indexed and Web of Science journals are appreciated with proper incentives.
- f) All categories of publications from faculty shall go through plagiarism check.
- g) All project works and dissertations done by students must be research focused with a long term goal of publishing in indexed journals.

❖ **Sponsored Research Policy:**

- a) Faculty with doctoral and post-doctoral experience shall aim to submit one research proposal for government funding.
- b) Every faculty shall apply for internal funding that creates base projects which will fetch external funding. The funding necessary for internal projects shall be procured through submitting proposal for 'Seed Money' to the management.
- c) The budgetary allotment in Seed Money proposals will accommodate requests for basic infrastructure that assists in both internal and external funded projects.
- d) All departments shall strive hard to get recognition from national/international funding schemes such as DST-FIST, CAS etc.,
- e) Special focus groups (SFPs) shall be established to uplift departmental research strengths and to align them with government schemes.
- f) Training programs, workshops, and seminars shall be conducted to educate faculty in the

submission of research proposals and to publish their work in peer reviewed journals.

- g) Projects that involve innovation and patent recognition shall be rewarded with appropriate incentives.
- h) All meritorious research done by faculty shall be recognized through 'Best Research Award' and with monetary incentives.
- i) All aspects of research and innovation shall be protected by IPR and copyright policies.

❖ **Extension & Extramural Policy:**

- a) All faculty are encouraged to invite industry experts to take joint resource projects.
- b) All faculty shall establish connections with premier research institutes for faculty exchange programs and research collaborations.
- c) All faculty shall select focus areas that bring forth solutions to societal problems such as, women and child welfare, chronic diseases and addiction, and other healthcare areas.
- d) All departments shall conduct workshops and conferences pertinent to social problems and their research expertise.
- e) All departments shall aim to conduct community outreach programs outside the organization. Students and faculty shall be advised to take the role of resource persons during these programs.

❖ **Consultancy:**

The policy guidelines suggested in this section will provide a framework to conduct consultancy activities at RCASC. The guidelines will apply to all faculty at RCASC.

- a) Any organization requesting consulting services from RCASC shall contact Principal/Head of Research with details about the required expertise.
- b) The Principal/Head of Research will forward the request to the concerned department.
- c) Upon discussion with the heads of the departments, Principal/Head of Research shall nominate a faculty or group of faculty having expertise in the requested services.
- d) The Principal/Head of Research shall approve the request for consultancy by assessing factors such as, compatibility and commitment of faculty member(s), mobilization of institutional resources, and based on potential conflict of interests.
- e) After final approval, a MoU shall be signed in the presence of Principal between the organization and the department for the type or consultancy work and other commercials involved.
- f) Faculty must update the progress of the consultancy work to the Principal through Head of Research.
- g) All Publications generated through the consultancy shall oblige with proper faculty affiliation of the institute, acknowledge any institutional facilities utilized, and shall be in compliance with IPR and copyright policies of the institute.
- h) To strongly encourage revenue generation through consultancy services, RCASC shall take 40% of the revenue and the organization shall take 60%, excluding GST and other taxes. All faculty involved in the consultancy services shall be paid proper incentives.

❖ **IPRs, Copy Rights, Innovations, Incubations, Entrepreneur Development, and Patents:**

- a) RCASC shall create research innovation culture through brainstorming, organizing ideation and faculty development programs.
- b) Potential innovative projects shall be moved to incubation centers which can be transformed into large scale start-ups. Students shall gain entrepreneurship skills through incubation centers and start-ups.
- c) Every innovation shall lead to patents and RCASC shall provide necessary support and expertise for proper filing and registering patents.
- d) RCASC shall also provide support to faculty to protect their research ideas and projects through Intellectual Property Rights (IPRs) and copyright policies.

❖ **Incentives for Good publications**

The Institution is providing incentives for good Research Publications in UGC recognised journals and in reputed International Journals.

❖ **Seed money for Research**

The Management will provide seed money for the research purpose as against the project proposals.

All the teachers attending National and International Conferences/ Seminars/

Workshops to present a paper, the registration fee for the same will be reimbursed.

❖ **Seed Money Grants:**

Working with the policies of research promotion established by the College Research Committee, RCASC management has initiated acceptance of application for Seed Money under the Research and Development Division.

The following guidelines have been formulated to write, review, rate, and accept innovative and high socio-impact research proposals;

- a) A unified and approved format of application for Seed Money release
- b) All faculty and/or Special Focus Groups are informed about the format of the application and are requested to submit filled in applications

*Strategic Planning and Deployment Document  
(2018-2023)*

### **Summary:**

Strategic planning is a continuous process with a specific focus on accomplishing institutional goals in this competitive world. Strategic Planning and deployment document (SPDD) is based on analysis of current obstacles and future opportunities and envisages the direction towards which the organization should move to achieve its set goals and objectives.

The first part of it addresses the vision, mission which the institute sees along with core values, institutional long term & short term goals. These are defined and guided by the stake holders (management, leadership, Heads of Department, faculty, staff, industry, students, alumni and parents) through SWOC analysis. After analyzing the internal and external environment, the institutional goals were set up in all possible growth domains through continuous thought process and discussion with Heads of Department and faculty members. The strategies with action plans were decided to achieve institutional strategic goals.

While formulating the strategic plan and deployment document, care has been taken to involve all stakeholders to help contribute their part which is vital for the success of every organization. Effort has been taken to identify clearly the implementation processes and monitoring by identifying measurable targets in line with the desired outcomes. This will emerge to be the guiding force for MSRCASC to achieve its goal to become an institution of Academic Excellence and providing professionals, like skilled young scientists and managers to the society.

**VISION**

To prepare men and women for the service of the country

**MISSION**

RCASC shall deliver global quality education by nurturing a conducive learning environment for a better tomorrow through continuous improvement and customization

**GOAL**

To deliver quality education for the betterment of Mankind

*“Jnanam, Vijnanam Cha Bhaktisahitam”*

**OBJECTIVES**

To provide quality education

To impart life skills and values

To train in confidence building and decision making

**QUALITY POLICY**

“To channelize the efforts and measures to provide excellence in academics with continual improvement of staff and student for a better society”

## **Core values:**

### **1. Integrity**

Integrity is the exercise of being truthful and showing a reliable and uncompromising devotion to strong ethical principles and values. We practice a shared decision-making process and promote trust through professional courtesy and fair treatment. Imbibe values of the institution through dedication to one's work. Conduct all activities in an ethical manner. Commit to practices that are fair, honest, and objective in dealing with students, faculty members, staff, and stakeholders at all the levels of the community. Celebrate our Independence Day with zeal and enthusiasm as it brings the entire Ramaiah staff together and maintains institution's integrity.

### **2. Respect**

Day to day interactions with students, colleagues, parents and other stakeholders are conducted honorably and respectfully. Respect is the essential foundation for working collaboratively. We recognize the expertise of teaching and non-teaching staff and respect their contribution towards the institution. We intend to extend support to our employees and student in all possible ways. Express gratitude to all the teachers and women staff of the college through Teacher's Day and Women's Day celebration every year. We value and respect the efforts of the staff as they contribute to the wellbeing of the society.

### **3. Diversity**

We create inclusive work environments where people are valued for their cultures, experiences, skills, knowledge and capabilities. We provide culturally inclusive and responsive services to all the stakeholders. We believe in diversity and promote respect to all cultures. Programs related to all occasions as Onam, Dushhera, Kannada Rajyotsava are celebrated to experience and respect Indian diversity. College Cultural fest 'Xtasy' is a platform that encourages students to express the diversity we inhabit. People from various parts of the country are given opportunity to serve our institution and contribute in varied ways.

#### **4. Excellence**

We encourage our staff and students to strive to achieve their best. Dedication and practice is one, which helps us to surpass the ordinary standards, "Practice makes man perfect". To ensure we achieve this maxim, subject related seminars are conducted. Students are the primary reason we exist as an institution and thus the teachers take initiative to drive in the standards of excellence by using different techniques in the classrooms including ICT, PPTs, and videos. We relentlessly pursue excellence. Two Internal tests in a semester are conducted to evaluate the performance of the students and prepare them for the exams. We continuously evaluate and improve programs, services, systems, and policies. We provide educational programs that lead to the acquisition of knowledge and skills necessary to achieve information literacy, career advancement, personal enrichment, leadership, and service to the community. College day further commends excellence and meritorious students who have excelled in academics are awarded.

#### **5. Quality**

Institution maintains good and high standards in teaching & learning, student centric support, encouragement for overall development of students and staff can be interpreted as quality. We internalize, empower and evolve. We gear up ourselves to the changing needs of the society. Exhibit quality in staffing, facilities, programs, and services by anticipating the needs and respond accordingly. We encourage creativity, innovation, and risk-taking. Foster a learning environment that promotes responsible, principled behavior, which respects the dignity of all members of the community. Strive to ensure that curriculum, delivery, and support services respond to enquiries, requests, and concerns in an appropriate and timely manner. To ensure program quality on the basis to strengthen the overall effectiveness of curriculum, instructional delivery, and operations. Regular feedbacks from the students to improve and provide quality education. Alumni day of the college takes pride in exhibiting the quality of generation that the institution has given to the country and society.

- Smart Class rooms, Tutorials, Seminar halls
- Modernization of Laboratory & equipment
- More ICT enabled classrooms
- Library infrastructure up gradation
- System up gradation
- Functional facilities for e-learning
- Safety & Security management
- Water facility and Medical facility
- Developing sports (indoor/outdoor) facilities
- Plantations
- Renewable Energy usage
- Hygiene, zero plastic & green campus

## **Standard Operating Procedure (SOP)**

Standard Operating Procedure (SOP) prescribes the institutional flow chart for execution of activities in a step by step process, involving all the levels of managerial hierarchy.

### 1. Analysis

Head of the institution analyze the present situation in respect of the needs of the institution, though academic council with Heads of Department and Deans.

The academic council check the availability and adequacy of classrooms, laboratory, books in the library, staff requirement and any other additional components like hostel, sports ground, co-curricular and extracurricular activities which enhances the quality of work life and develops life skill of students.

### 2. Survey

Statistical facts and figures regarding student admission, staff requirement, books available in library, examination procedure ect. are collected and suitable estimations and requirements are made into a list of development / improvement programs.

### 3. Improvement

List the development / improvement programs with details about each program from each department is received. It should clearly indicate the time limit for its implementation. Program can be short term and long term depending on circumstances.

### 4. Implementation

The council makes the decision regarding implementation of development / improvement program in each department based on details provided along with the statistical facts and figures.

### 5. Evaluation

Success of the plan is determined by its evaluation. The degree to which the target set are being achieved at different stages of the plan, must be assessed from time to time. At the completion of the project, end product of output must be assessed qualitatively and quantitatively.

## **Strategy Implementation and Monitoring**

After approval of Strategic development plan the next step is its implementation. During implementation the progress of strategy shall be measured from time to time. Hence the measurable success indicators are clearly spelt out in the implementation document. The Principal along with Academic Council and other team member will be the custodian for strategic plan and its deployment. The benchmarking of quality standards and its monitoring, evaluation of attainment will be carried out by the IQAC independently. The IQAC will report the findings to the Academic Council and Governing Body

**Conclusion:**

The SPDD is an effort for paving a pathway towards accomplishment of goals MSRCASC dreams to achieve. Just formulating the strategic plan doesn't ensure success, but it provides a guiding framework which is a collective effort delivered by the process of participative brainstorming of stakeholders. The proper implementation of strategies through teamwork with good spirit leads to success and sustainability over a longer time through a dynamic process. It needs continuous evolution to incorporate the lessons learnt during the implementation and emphasizes the role of IQAC in ensuring the quality of implementation of Strategic Plan and Deployment Document.
