

M S RAMAUAH COLLEGE OF ARTS, SCIENCE AND COMMERCE

INTERNAL QAQUALITY ASSURANCE CELL

Annual Report 2015-16

Internal Quality Assurance Cell

Internal Quality Assurance Cell of the college for the academic year 2015-16 was constituted with the Principal Dr. A Nagarathna as Chairperson, Vice Principal Prof T E Kanakavalli as co-chairperson, along with members from academic and administrative departments.

IQAC carries forward the tradition of maintaining the quality sustenance and quality enhancement activities throughout the academic year. Interclass academic competitions, cultural, sports activities were encouraged among the students. Collaboration with institutions and industry has been encouraged in the college by IQAC.

In addition to quality sustenance and quality enhancement activities IQAC set the college into the track of getting prepared for the reaccreditation. In order to enhance and empower the faculty communication skills, an English improvement course was discussed. AAA and green audit formats were got filled by all the departments for all the courses offered by the college and they were collected during November, 2015.
